

Yorba Linda H.S. Band Council

President – The president is charge of coordinating the council and all student planned events. They are also in charge of collecting and keeping track of the “remember when...” They will work directly with the director to ensure that all problems and success are properly handled. (Must be a senior, elected by vote)

Drum Major- The Drum Major is in charge of all students on the field and on the parade route. They are in charge of maintaining the peace and informing the director of any possible conflicts within the group. (any grade, by audition/interview)

Secretaries- The secretaries are in charge of note taking in council meetings and assisting the director with attendance verification. They are also in charge of creating posters for competitions (chosen by director influenced by vote)

Uniform Managers- Are in charge of the maintenance of all student uniforms. They will work closely with the V.P. of uniforms to ensure that our uniforms stay clean and last for a long time. (chosen by director influenced by vote)

Property Managers- The property managers are in charge of making sure that all equipment needed for a daily rehearsal is available and ready to go for marching season. They are also in charge of making sure that room maintains itself clean and kept. (chosen by director influenced by vote)

Librarians- Librarians are in charge of making sure that all music is passed out and collected for our bigger groups. If a student needs a part they are to ask the librarians. (chosen by director influenced by vote)

Historian- Historians are to keep accurate pictures/scrap book of the year. So we can display it and secure that the memories of our program maintain themselves alive. (chosen by director influenced by vote)
